Note: Disclosure of your social security number is voluntary. We are authorized to collect this information because we are extending credit for services and it will only be used for collection of debts owed to the Authority. The last four digits of your Social Security number will be used to verify your identity before disclosing account information in accordance with FTC Identity Theft Prevention and Detection regulations.

PROPERTY OWNER AUTHORIZATION

I hereby grant to Cape Fear Public Utility Authority (the "Authority"), its agents, employees and contractors a license to bill me for terminating services, including removal of a water meter on the water line (if necessary), removal of a water and/or sewer tap, and to enter upon my property to read the meter or to service the Authority's equipment and lines. It is understood that the Authority or its representatives shall enter upon the property only for operation and maintenance of the water and sewer system.

I agree to pay for the replacement of any non-standard driveways (exposed aggregate, etc.), headwalls, light posts, sodded areas or similar improvements within the rights-of-way or easements which the Authority deems necessary to remove or damage in order to repair, replace or alter the Authority's utilities. I agree not to plant, install, construct or situate any buildings, structures, obstructions, trees, fences, berms, ponds or pools within the rights-of-way or easements. I understand that the Authority will restore grade, as close as possible, to the condition prior to any utility work performed by the Authority, including standard driveways (concrete, asphalt or stone) and reseeding of the disturbed area.

I agree to have any such removals or alterations not provided by Authority staff to be performed by a licensed utility contractor inspected by a representative of the Authority's Engineering Department prior to the covering of the area where the alterations were made. I agree to pay for any damage done to Authority equipment and lines by my representatives, contractors, tenants or myself.

I understand that I may be subject to a monetary civil penalty for any breaking, damaging, destroying, uncovering, defacing or tampering with any structure, appurtenance or equipment which is part of the water and/or wastewater collection system or water and/or wastewater treatment facilities according to Section 6.7 of the Authority's Ordinance.

The above information is correct to the best of my knowledge. I understand that should I want another meter installed, I would be responsible for all fees associated with installing that meter.
